

INFORMATION FOR APPLICANTS

(Please read before completing application)

A brief statement of the functions and responsibilities assigned to the various boards and commissions which serve the City of Carlsbad is available in the Office of the City Clerk. If you are not thoroughly familiar with the functions and responsibilities of the board or commission to which you seek appointment, please ask the City Clerk for the appropriate information sheet. It is recommended that you attend several meetings of the board, committee or commission to which you are seeking an appointment.

While previous experience and education in the subject matter handled by the board/commission are considered in the appointment process, these factors are not the only determinants. Avocations, previous and current occupations, and familiarity with community affairs are also relevant. Carlsbad Municipal Code Section 2.08.090 requires that those appointed to any city board, commission or committee must be registered to vote and a resident of Carlsbad.

Before applying, you should be aware of the time and dates on which the board/commission regularly meets and how much of your time you will have to devote. The latter can best be determined by attending meetings of the board/commission to which you are applying and by speaking with someone who has served or is now serving.

Applications are valid for one year and are open for public inspection. In the event that an applicant has applied for appointment to more than one Board, Commission, or Committee, and is appointed to serve on one, their remaining applications will not be retained, unless otherwise specified by the applicant.

You will be required to file a financial disclosure statement if appointed to one of the following: Arts Commission, Housing Commission, Library Board of Trustees, Parks and Recreation Commission, Planning Commission, Senior Commission, Sister City Committee, and the Traffic Safety Commission.

You will also be required to attend two hours of State Mandated ethics training every two years.

Upon completion of your application, please mail or deliver the application to the following address:
